**SIMMONS'**

**Medicated Well-Water.**

A specific for DYSPEPSIA and  
DIARRHEA of the KIDNEYS.

Has been used with most gratifying suc-  
cess in many obstinate cases. Prof. F.  
W. Thompson, of Cincinnati says this water "cures  
to the same extent with half the time the Alphanty  
and Virginia cures do." Many of which are too well known to be stated here.  
Very Rev. Edward George Baker, of the  
Archdiocese of Cincinnati, has declined to undertake this office, as other  
duties made it impossible for him to be  
present. The Memorial Committee will  
be present in Jerusalem Chamber of the Abbey,  
East Grandine and Lowell, the American  
Minister, will speak.

GUS. SIMMONS, Proprietor.  
Aberdeen, Ohio.

## AFFAIRS OVER THE SEA.

The British Advance In Egypt and  
Other Matters.

The Recent Russo-German Rivalry  
and Its Effects—The German  
Parliament and the Lusitani  
Resolutions.

TRINIDAD, Feb. 29.—Great activity pre-  
vailed in the British camp some miles dis-  
tant, where everything is being got in  
readiness to forward the movement of the  
forces now in the expeditionary force  
of 50,000 men. The details shown out  
early this morning encountered the picket  
line of rebels a short distance from Fort  
Baker, where an active exchange of shrap-  
nel was going on. A spy coming into Fort  
Baker this morning reported to the rebels that  
he was confident of being able to defeat General  
Graham that very little attention is being  
paid to his movements. The rebels are  
now in full force in their front, and the  
Spanish had a fight with the rebels near there  
and captured forty rebels.

THE REICHSTEINER RESUME.—  
Berlin, Feb. 29.—The leading politicians  
here are discussing the question whether or  
not the Reichstag will adopt a resolution  
recommending the United States House of Repre-  
sentatives to rescind its resolution of com-  
munity of interest. The Progressives will  
probably suggest such a resolution and the  
Democrats and the Republicans will support  
the same measure.

REMARKS OF RUSSIA.—  
BRUSSELS, Feb. 29.—The semi-official rap-  
prochement between Russia and Germany is  
warmly welcomed here. The Austria-  
German alliance is the undoubted basis of  
Russia's policy, and she is determined to  
attach the greatest importance to Italy's  
participation in the alliance. France  
probably will also appreciate Russia's ad-  
hesion to the peace alliance.

REMARKS OF RUSSIA.—  
PARIS, Feb. 29.—The leading politicians  
here are discussing the report that the Ger-  
man Government is annexing Poland. They refer to France's Bismarck's reply to a  
private letter of deputation from the  
French Foreign Minister with reference to the  
proposed annexation, in the course of which  
Bismarck said that Germany had no  
such aim, that she had already too many  
strategic elements to maintain.

morning says: "It is intolerable that we  
are exposed to this succession of plots from  
a nation professing to be friendly with us,  
and who will not even let us have a  
friendly meeting with them."
